\* MAKE CHECKS OUT TO EPWSA

**IMPORTANT – Read and Initial each line.**

\_\_\_\_\_ 1. Renters shall under no circumstances transport water out of the Putnam County limits for any reason.

\_\_\_\_\_ 2. The meter should always be used when getting water from any hydrant in Putnam County **(including all subcontractors)**. If you are not sure that a hydrant belongs to EPWSA call the office at 706-485-5252 to verify.

\_\_\_\_\_ 3. The Renter shall be responsible for said meter and damages thereto, considering normal use. Upon completion of the work, or as otherwise provided in this Agreement, the Renter shall promptly notify and return the hydrant meter to the EPWSA in good condition, ordinary wear and tear excepted.

\_\_\_\_\_ 4. The Renter shall be responsible for payment of all fees accumulated, including but not limited to the monthly rental fee, until the meter is returned to the EPWSA office and rental agreement terminated.

\_\_\_\_\_ 5. The Renter is required to provide a picture of the meter reading each month, send to Maria through text at (706) 816-6592 or email picture to [malexander@esginc.net](mailto:malexander@esginc.net) or [service@epwsa.com](mailto:service@epwsa.com).

\_\_\_\_\_ 6. If the meter is lost, stolen, or otherwise not returned, the Renter shall be responsible for the cost of the lost/stolen equipment therefore forfeiting the deposit of \$1500.00 to replace the meter. Meter must be left in a locked or enclosed area when not in use. **(Do not leave on the back of a vehicle)**

\_\_\_\_\_ 7. Improper operation of fire hydrants can cause severe damage to the County's water system and surrounding property. By renting and using a hydrant meter, the Renter agrees to fully compensate the County and any other party for all damages arising from or related to the Renter's use of the hydrant meter.

\_\_\_\_\_ 8. Renters shall operate the Fire Hydrants and hydrant meters properly, including but not limited to the following:

- a. Fire Hydrants must be opened and closed slowly to prevent water system damage.
- b. Fire Hydrants may be operated only with a properly sized specialty hydrant wrench.

*If there is a problem attaching your hose or fitting to the meter, please return to or call EPWSA for assistance. **DO NOT** under any circumstance take water from a hydrant without the use of this meter. This is illegal and the customer will be charged for all water fees that apply as well as possible prosecution*
